General terms of use

Access and use of this website are subject to the regulations mentioned below. If you do not consent with these, we kindly ask you not to use the website.

This website has been developed and is operated by Kirsch Pharma GmbH.

We reserve the right to partially or completely change our website, to change the general terms of use as well as our general terms of business and to shut down this website completely, at any time, at our sole discretion and without further notice. We therefore ask you to go through the terms each time you visit our website in order to take notice of any amendments made.

Assignment for use

All information, documents and designs published on this website are the sole propriety of Kirsch Pharma GmbH. Authorization to use these is given under condition that the copyright appears on all copies that may be made and that our information is used for personal purposes only and not for commercialization. The information may not be changed in any way and all graphs or pictures of the website are to be used together with the relative descriptions only.

Brands

All product brands indicated in capital letters or otherwise marked in this website are brands of Kirsch Pharma GmbH, our subsidiaries, related companies, licensors or joint-venture partners. The non-authorized use or the abuse of these brands or of any other materials herein is strictly prohibited and would represent a violation of copyrights, trademark rights and other industrial property rights.

Limitation of liability

Kirsch Pharma GmbH have assembled the information found on this website from internal and external sources to the best of our knowledge and with professional care. We strive to enlarge and update this variety of information constantly.

The information contained in this website serves the purpose of presentation of our company, our products and our services. No guarantee – neither explicitly nor implicitly – for the integrity or accuracy of its contents can be derived from this website.

In particular you should be aware that the information given might not be up to date any more. You should thus make sure any information you collected on this site is correct before using it in any way.

The guidance given on this website does not release the user from due control of the information, especially of our safety data sheets and technical information and our products in respect of their appropriateness for the intended processes and purposes.

If you require any special advice or documentation concerning our products or services we ask you to kindly contact us directly.

The user of this website agrees that he is accessing the website and its contents at his own risk. Neither Kirsch Pharma GmbH nor any third party who may be involved in the

compilation, production or forwarding of this website are liable for any damages or violations that may arise from the access or impossibility of access, use or impossibility of use of this website or from the circumstance that he did rely on any information contained in this website.

Links to other websites

This website may also contain links or references to other websites. These links to other websites do not represent an approval of their contents by Kirsch Pharma GmbH. Kirsch Pharma GmbH does not take on any responsibility for the availability or contents of other websites nor any liability for losses or violations arisen from the use of such contents. Links to other websites are provided for the users of this website as an amenity only. The connection to other websites via a link takes place at the user's own risk.

Information provided by a third party

All users of this website are fully responsible for all information which they provide for Kirsch Pharma GmbH in respect of its content and accuracy. They also accept full liability for the violation of any third party rights.

The user agrees to Kirsch Pharma GmbH recording the information given resp. using it for statistical evaluations or other specified purposes, provided that it does not contain any personal data that exceed stock data or utility data according to § 5 and § 6 TDDSG.

Kirsch Pharma GmbH is authorized to use the contents of such messages, including ideas, inventions, concepts, techniques or know-how for each and every purpose, including the development, processing and/or marketing of products or services. We may also re-produce the information and make it available to third parties without restriction.

Applicable law

Legal claims or lawsuits of any kind that might occur in connection with this website or its use are subject to the enacted law of the Federal Republic of Germany. International private law and/or UN-Sales Conditions (CISG), however, do not apply.
